Paul and Anne Falzett 2019 Sister of IHM Award Recipients

Paul and Anne Falzett will be honored with the 2019 Spirit of IHM Award in recognition of the time and financial support they have provided to many Scranton community nonprofits and Catholic schools. Both grew up in the Scranton area and were educated in parochial schools, including St. John School, Scranton; St. Patrick School, Olyphant; St. Paul School and Bishop Hannan High School, Scranton. Paul is a graduate of King's College and Anne is a graduate of Marywood University. They were married in June 1979, reside in Green Ridge, and are members of St. Paul Church. Both attribute their strong Catholic faith to their parents and the steadfast presence of the IHM sisters in their lives.

The Falzetts share a great love for the community and the desire to give back focusing on education, children, and family wellness. The Falzett family was most recently honored by the Outreach Center as the recipients of the 2018 Mighty Oak Award for their commitment to children and families of Lackawanna County.

Paul is the son of the late Angelo and Theresa Falzett. Anne is the daughter of Robert and the late Ann Wagner. They have been blessed with two children, Chris and Julie, their daughter-in-law, Carinne and son-in-law Bryan Boles. Their greatest joy is spending time with their three grandchildren, Luca Falzett and Mazie and Celeste Boles.

Paul is the CEO of Topp Business Solutions. He began working with his father, Angelo, in the family business while in high school. He took over the management of the company when he graduated from college fostering several decades of growth and positive expansion. Paul has received industry awards for outstanding regional and national sales and has served on numerous advisory boards.

Anne has volunteered for numerous nonprofit organizations and schools including St. Paul and Scranton Prep where she served as Parents' Club President and later became a member of the Development Staff. She is a Past President of the Sant' Andrea Society. Anne is also a former member of the Junior League of Scranton and 2018 recipient of the Roseanne Smith Alperin Award for volunteerism, member of the Women's Resource Center Association, and former member of the Scranton Cultural Center Board of Directors.
